TEACHER ONLY DAY

A reminder that the Teacher Only Day
has been moved from Monday 20 June
to Monday 27 June (Week 9).

The school will not be open for
instruction on this day.

FROM THE PRINCIPAL

At the time of writing, our school choir, Dunstanza, is nearing the end of its concert tour that culminates with a performance, on Thursday, at the *Big Sing* competition in Dunedin. Prior to their departure from Alexandra, the 60 strong choir held a concert in the school hall with supporting acts from soloists, dancers and the school jazz group. It was a wonderful night's entertainment and the varied programme was well received by an appreciative audience. Congratulations to the students involved and special thanks to Mr Buchanan (Director) and Mrs Barnes (Accompanist) for all their hard work.

Over the past few weeks, the staff have been preparing to introduce a new student support programme that has proven to be very successful in other secondary schools.

The new initiative is called *Fortnightly Reports* and will be explained to the students later this month. The aim of the fortnightly reports is for every teacher to inform the Tutor Teachers and Deans of the academic progress and classroom behaviour of every student in their class every fortnight.

The fortnightly reports will be a very good method of communicating early with parents and caregivers where there are likely to be difficulties or where there should be praise given for extra effort. More information on this new initiative will be communicated to you as we get closer to implementation.

Mark Templeton (Hostel Manager) and I are continuing our series of promotional visits and will be in Becks next week followed by Millers Flat the following week.

CHARITY FASHION SHOW FOR CURE KIDS

“Two local 18 year old girls, **Emma Beaumont** and **Hayley Anderson-Hamlin**, have been busy organising a Fashion Show in June to help raise funds for their participation in the upcoming Accor Hotels \$10 Queenstown Challenge for Cure Kids in August. The girls are the **ONLY** team entering from Central Otago and the Queenstown region and are relying on the support of the Central Otago community to raise funds for Cure Kids.

The Charity Fashion Show will be held in the Cromwell College Auditorium on Saturday 18 June at 7.30pm and will feature clothing from Cheri Formal Wear. Christina Perriam of Bendigo Station, Tarras, will also be showcasing clothing from her luxurious merino collection. Christina’s family’s merino sheep, Shrek, who died recently, was a Cure Kids ambassador before retiring in 2008. He helped to raise a phenomenal amount of money for the organisation during his time as an ambassador.

Sophie Newbold, one of Cure Kids Central Otago based ambassadors, will also be modelling in the show as well as a selection of models from the Ican Model Agency. Wanaka based country music star, Jody Direen, will also make a special performance on the evening. Ferg, DJ on the Classic Hits radio station, will be the entertaining MC and Ferg’s friend, Quilly, will be the amusing auctioneer (we’re told).

Tickets are \$25 and available from: In the Pink, Queenstown; Fine Wools, Helwick Street, Wanaka; Cheri Formal Wear, Cromwell; and Central Colourplus, Alexandra.

This promises to be a wonderful evening of entertainment and all the proceeds from the event will go directly to Cure Kids.

CONGRATULATIONS to Tahnae Wilson-Brown who is now the NZ National Champion of Pokemon.

OTAGO SECONDARY SCHOOLS CROSS COUNTRY

Three students travelled to Mosgiel on Thursday 2 June, to take part in the Otago Secondary Schools Cross Country held at Wingatui Race Course. **Hamish MacKay** was twelfth (11 min 39 sec) and **Sam McCulloch** eighteenth (11 min 52 sec) in the Under 14 Boys in a field of 47 runners, and **Emily McGimpsey** was fourth (12 min 52 sec) in the Under 16 Girls Section.

HOUSE SPORTS COMPETITIONS

Competitiveness and fighting spirit was alive and well on June 3 as our juniors faced off in the final of the House Dodgeball Competition. Caples had beaten Pyke in the round-robin games and the final was very intense, but Pyke emerged victors on the day, 5 - 3.

I would like to acknowledge our referees throughout the Dodgeball competitions, **Constable Jacqui Lambeth, Mr Mawhinney, Mrs Hayes, Mike and Ruby** (Student Teachers); and to **Mr Russell**, for assisting with the final. You were all charged with a very different task - thank you so much!

NETBALL

Three Dunstan Teams (Senior A, 10A and 9A) travelled to Dunedin on Saturday to compete in the Otago Secondary Schools Netball Tournament held on Sunday and Monday at the Edgar Centre.

Sunday saw both the Senior A and 9A Teams winning all three of their games and progressing through to the top eight; the 10A Team winning one game.

- Senior As came up against St Hildas in the Quarter Final, losing by two points, which meant their remaining games were for fifth-eighth placings. They went on to beat Mt Aspiring 23-16 and Waitaki Girls 24-21, finishing in fifth place overall.
- 10As finished in ninth place overall.
- 9As beat Waitaki Girls 18-11 in the Quarter Final, progressing to the top four. They went on to beat Taieri 22-10 in the Semi Final and came up against Mt Aspiring in the Final, losing 21-8; finishing in second place.

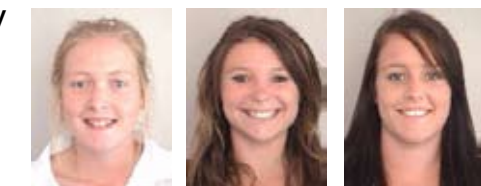

Well-done teams!

Morgan Blance attended the tournament in an umpire's capacity and was awarded her Local Practical Umpire Qualification.

Representative Netball - Congratulations to **Sophie**

Johns, Courtney Davies and **Jonelle Fulton**

who have been selected in the Otago Country Under 19 Team.

The **NZ SECONDARY SCHOOLS MULTISPORT CHAMPIONSHIPS** were held in Rotorua at Queen's Birthday weekend.

Dunstan had two representatives at these, both achieving podium finishes amongst a star-studded field.

The race started with a 4km lake paddle, followed by a 15km forest mountain bike on Rotorua's legendary single tracks, and a 6km trail run amongst the big Redwoods. Heavy rain over the two days prior finally eased that morning, but left the mountain bike track muddy and slippery.

Greg Redai is a newcomer to multisport having taken up paddling only two months ago. Balance and power gained as a rower, has seen a fast and successful transfer of skills to multisport kayaking.

Greg exceeded expectations by exiting the water in fourth position. Only those in the faster, specialised boats of K1s and surf skis completed the course more quickly.

A fast mountain bike saw him move into third, however the transition revealed a close and exciting race as athletes arrived covered in mud and barely recognizable.

Hayden Moorhouse, International triathlete, was in first position with a two minute lead, with little time separating the next four.

Into the run and Greg caught the runner in front to only be also caught himself and having to resign to then being in a group of three.

After over 1.5 hours of high intensity racing and reaching the final stages of the run, Greg had a sudden reminder of all his 800m training sessions with Mr Hamilton. Realising that, he found another gear, pushed through the pain and out-sprinted the other two to get the silver medal.

First - Hayden Moorhouse (Tauranga Boys) 1:37:42,
Second - **Greg Redai (Dunstan High School)** 1:39:11,
Third - Jake Allen (Kapiti College) 1:39:42

Nakia Randle emerged third off the water out of the senior girls. A great effort given the faster times were posted by a specialist K1 paddler and a surf life saving champion on a surf ski.

With a four minute deficit going into the bike ride, she rode it extremely well, gaining a position and having the second fastest time. The extra MTB skills training she had done as preparation, paid off by giving her a 90 second buffer to third position at the final transition.

Danielle Mackenzie (World No 2 U19 Triathlete) was in first position with a seven minute lead. Unfortunately, the 90 second buffer wasn't quite enough to hold on to second place, but a strong run saw her five minutes clear of fourth placegetter and finishing with a Bronze medal.

First - Danielle MacKenzie (Rangitoto College) 1:48:55,
Second - Ashley Graham (Trident High) 2:00:27,
Third - **Nakia Randle (Dunstan High School) 2:01:42**

This was an exciting and well organised event that ran alongside the Australasian Multisport Championships. Not only did the students start their race alongside the top multisporters in the World, but they also had many opportunities to talk with them over the weekend.

Nakia Randle, KENZA Randle and Greg Redai

While it was especially pleasing to see Dunstan High School on the podium twice, the contacts made by both Nakia and Greg with the elite athletes and their peers was also valuable.

As an added bonus, there were over \$75,000 worth of performance and spot prizes, from which Nakia and Greg benefited.

RUGBY

Congratulations to **Joey Blaikie, Leon Lin, Michael McBreen, Tyler Cameron** and **Drew Van Bortel** who have been selected for the Otago Country Under 14 Rugby Team. They will play against Southland, North Otago and Otago Metro U14 Teams in August this year. **Monty Shearer** and **Sam McCulloch** were selected as non-travelling reserves.

SHUKAKAI KARATE NEW ZEALAND NATIONAL CHAMPIONSHIPS, ALEXANDRA 11 JUNE 2011

As the National Karate Dojo winners for 2010, the Alexandra Dojo had the privilege of running the National Shukokai Karate Championships for the first time. The competition was run in the Dunstan High School Gymnasium, a perfect facility for running two competition mats.

From Dunstan High School, **Nathan Garry** and **Cole Mackie** did very well competing in the Open Men's Division. Nathan won a Silver medal in the Open Men's Kata (preset moves), a good result with 16, mostly adults, competing in the event. Cole and Nathan then both reached the final of the Open Men's Kumite (combat), with Nathan just winning a very close contest. This was an amazing result as both are only 16 years of age. Cole finished a very successful competition by also winning the Men's Premier Kumite. In the junior events, **Jeremy Norbury** won a Gold medal in the Under 13 Premier Kata and **Hamish MacKay** won the Gold medal in the Under 13 Premier Kumite. Hamish and Jeremy combined to win a Gold medal in the Team Kata.

The Alexandra Dojo again won the overall trophy from the seven Dojos competing. By winning the trophy, Alexandra qualify to hold the 2012 New Zealand Championships next year.

We must thank **Grant and Dale Norbury** for the time and effort they put into training.
