### WELCOME

Welcome to the newest member of our administrative team. **Lana Henderson** joins us on a part-time basis to help with administrative tasks in the school office.

Lana Henderson

Lana is an ex-student of Dunstan High school and has recently been working in the office at the Terrace Primary School.

We are pleased to be able to have someone with her skills and background as a member of our staff.

Lana replaces Isobel Parr, who retired recently after 21 years at Dunstan.

### JUNIOR PARENT INTERVIEWS

### TEACHER ONLY DAY - SENIOR STUDY DAY Friday 2 September (Week 5)

All NCEA assessments and senior courses are being rewritten to align with the revised curriculum standards. The Ministry of Education has given schools two days for teachers to revise their courses and assessments.

Our first day is **Friday 2 September**, which will also provide a study day for seniors prior to our important exams in Week 6.

It is vital that senior students are already revising and have a study plan for these exams.

The second Teacher Only day will be in Term 4 on **Monday 21 November**, after seniors have finished.

### FROM THE PRINCIPAL

Welcome back to the third term. A special welcome to the new students and parents who have joined our school community this term. In particular, we extend a very warm welcome to our new international students, along with our four French exchange students, who are with us for a few weeks.

Brent Russell

Congratulations to all those involved in organizing this year's school formal. The Formal Committee chaired by Mrs Cowie, including senior students, parents and staff, were meticulous in their planning and preparation and once again an enjoyable evening was had by all. The sense of community that is engendered through this event is obvious for all to see, and the support received from parents throughout the evening was simply outstanding - thank you.

Congratulations to **Sophie Williamson** and **Callum Geddes** who were selected as the Dunstan High School Class Act recipients for 2011. The Class Act Awards celebrate excellence of achievement, potential, character and leadership. The Prime Minister, John Key, presented the awards in a special ceremony held in Dunedin last Friday. Unfortunately, both Sophie and Callum were unable to attend, as both are currently overseas.

Best wishes for term three.

## YEAR 9 AND 10 FORMAL DANCE - THURSDAY 25 AUGUST 2011 - 7.00-9.30PM

Year 9 and 10 students will shortly complete a Physical Education module on ballroom and 'old time' dancing. The Physical Education Department will hold a Ballroom Dance in the school hall for these students on Thursday 25 August 2011 between 7.00pm and 9.30pm as a conclusion to the module. Attendance is not compulsory but students are encouraged to attend what will be a fun and enjoyable evening.

The purpose of the dance formal, is to allow students the opportunity to apply the movement and social (etiquette) skills they have acquired over the last five weeks, in a true formal dance setting.

A letter will be sent home to caregivers shortly, with full detail of the event.

## PARENT TEACHER ASSOCIATION - [pta@dunstan.school.nz](mailto:pta@dunstan.school.nz)

Again, our last PTA meeting was full of positivity and energy.

The committee moved to purchase 30 new blazers for the school hire pool. These are specifically to be used by the senior school executive students in Year 13. It will now also be possible to order your own blazer. If you would like to do so, please contact Ms Anderson through the school office. She is currently collecting a list of those interested; or email Karen Enright at [pta@dunstan.school.nz](mailto:pta@dunstan.school.nz) to register your interest. The availability of blazers is to be celebrated, as it has been a long while since you could buy one! Seeing our students in the newspaper recently looking smart in formal uniform was a delight. Many members of the wider school community have been commenting recently on the smart appearance of Dunstan High School students.

Head students Esther Oh, Nakia Randle,  
Alex Fisher and Leigh Grieve in their blazers

Blazers for sporting occasions can be hired through Greta Mason, and for cultural events, through Debbie Vercoe.

The PTA currently has a number of interesting projects underway, including thinking of ways to fund the current teacher *wish list*.

If you would like to receive a copy of the PTA minutes, please feel free to request them from Jo Brun, our secretary, through the above address.

Our focus recently, was catering for the school formal, which was held last Saturday night.

Thank you to all who offered to help and for the tireless work of our committee.

We wish students, parents and teachers all the best for a safe and happy time.

*Pip's Post on behalf of the PTA.*

### - CLEVELAND SINGING COMPETITIONS

Congratulations to **Victoria Martin**, Yr 13, who was placed third in the Senior Section of this Otago competition, held at the University of Otago last weekend. Well done!

## PHOTOGRAPHY COMPETITION WINNER

The Association for Women in Sciences (AWSA) recently ran a competition where students were invited to submit a photo that showed one of the myriad of ways that modern women are active in science. Winners were chosen by the judging panel which comprised of representatives of AWIS NZ. Entries were judged on the quality of the image, originality and artistry.

The winner of the Year 12 category was **Leah Morait**, who took this picture of her mother working as a Scientific Laboratory Technician at Dunstan Hospital. Leah was invited to attend the AWIS Developing Women, Advancing Science Conference in July, but unfortunately was not able to attend. However, she will receive a prize pack and her photo was displayed at the conference.

## BIENVENUE LES FRANÇAIS

On Saturday, 16 July, we were lucky enough to welcome Dunstan High School's four newest exchange students at Queenstown airport to a new exciting experience in New Zealand. **Cécile Lacharme, Capucine Gauditiabois, Florian Malavieille and Clément Lefeuvre** all come from Chateau-Thierry, a town of about 15,000 in the champagne area about an hour north east of Paris. They join us here in Alexandra for six weeks where they hope to enjoy the ultimate kiwi experience.

We had the chance to get to know our new French classmates with a trip to Wanaka on Tuesday last week. Cécile, Capucine, Florian and Clément were teamed up with their host brothers and sisters and myself on a scavenger hunt around Wanaka. We enjoyed lunch together on the edge of Lake Wanaka followed by pedal boating on the lake. We were lucky enough to have a stunning Central Otago day which ensured everyone had an awesome time.

I hope our newest Dunstan exchange students enjoy their time being kiwis, as much as we enjoy getting to know them. Vive la France!

*Jordy Sprosen*

## Formal Charity : St John Christchurch

We've chosen this charity to reflect our School cornerstone of *service* because:

- (a) many previous and current students have learnt First Aid skills and had huge opportunities for personal success through St John
- (b) Mrs Little and St John provide an ambulance for our Formal and the after Formal out of the goodness of their hearts - so if there is a call out and the one duty ambulance has gone, we still have care and support.
- (c) every Saturday, St John help us on our sports field
- (d) we wanted to support Christchurch in a targeted way rather than see our money going into a pot.

St John in Christchurch have indicated items we can help with:

- Emergency Vests 20 \$1000
- Intra Osseous Drill \$1300 - (this is used for drilling pain relief into a bone when you are unable to find a vein - a very necessary item in an emergency!)
- Vehicle Radio \$1500

St John are very grateful for any donations from Dunstan families and are happy to show the students what they purchase. Our school name will be put on the website as a thank you.

from Kate Little

These photos show the story of a lovely community event on a cold August night in 2011. They show the very public Oscar-style entry, friendship, old style Formal dancing, themed activities like the Hula hoop competition, street entertainers, Year 10s helping their Yr 12 and 13 Seniors and the best examples of glamour event dressing seen in a long time. Red was definitely the colour of the evening, with shades of blue and every other hue following. It was also the year of the shoe with nude heels, ankle boots and glitter sandals dominating. In fact several staff were seen modelling the three inch heels!!

Implied in the background shots, but not overtly seen, is the huge community this event both encourages and relies upon. From families talking about etiquette and stretching their budgets, to PTA support for artwork, catering, security and cleanups to donations of time and products, we see a community embracing tradition while encouraging their teens to be the forward faces of new responsibilities, taking up opportunities in organization and doing particularly well.

To all who helped make this 2011 Cirque du Soleil a night to remember, thank you very much. Fire twirling, stilt walkers and mirrormen made it look unique. Our students and parents made the experience feel unique.

Thanks especially to Shenae Ruffell, Victoria Martin and the Formal Committee, Nicole Ross, Jonelle Fulton and Pip McNab for their sub committee, the PTA for catering, security and transport, Mrs Little and St John, Jane at Wrapz, Jo at Inspiration, Betta Electrical, Henrys, School Staff and the many others in the community who donated time and goods.

## BASKETBALL

### Zone 4 Premiership Tournaments

Both our Senior Boys and Girl's Basketball teams competed in the South Island Secondary Schools Tournament, held in Dunedin during the first week of the holidays. We entered in the A Section, for schools under 600. The tournament also had the AA Section, which is the Open Division.

The Girls A Team placed third overall out of seven teams, qualifying for Nationals. We had wins against Logan Park 87-26, lost to Mountainview 57-74, a close battle against Bayfield 70-76, and a big win, 92-55, against Kaikoura.

Stand-out player, **Sophie Johns**, was named in the 'Top Five Tournament Team'.

Thanks to all the parents, drivers, our managers and our coaches. A special thank you to **Elaisa Chapman**, who is our latest addition to our coaching team.

The Boys A Team had a very successful tournament defeating Buller 74-30, Fiordland 71-37, Mairehau 75-72, Waimate 65-55 and Bayfield 98-58. We were the top qualifier. We played Mairehau in the final and had a very close loss, 81-85. We finished second out of six teams.

**Liam Mulvihill** and **Harry Paulin** were both named in the 'Top Five Tournament Team'.

The boy's team has qualified for Nationals in Palmerston North being held during 'winter tournament week'.

Thanks to our great team manager, **Lois Mulvihill**, and coach, **Peter Mulvihill**.

## PEAK TO PEAK RACE

On Saturday, 6 August, Dunstan High School entered two teams in the 2011 Peak to Peak race - Remarkables to Coronet Peak. There were five legs: skiing, downhill bike, kayak, road run and uphill bike. The senior team members were **Nick Pascoe** - skiing, **Mr Moir** - downhill bike, **Nakia Randle** - Kayak, **Declan Pearson** - runner and **Tom Vessey** - uphill bike. We ended up first in the business house section by about seven minutes. Stars of the day were Nick, who was seventh fastest overall and Tom, who was second fastest overall, out of 135 teams and individuals.

There was also a junior team with **Kate Pascoe** - skiing, **Sam McCulloch** - kayak, **Hamish MacKay** - runner and **George Blackie** - uphill bike. They placed an awesome fourth place out of the school teams and special mention is made to George, who was tenth fastest overall up the mountain.
